LINK
SCHOOL OF ENGLISH

Established in 1992, Link School of English is a private school located in Swieqi, a quiet residential area ideal for educational purposes and close to amenities such as 5 star hotels, a shopping complex, entertainment venues as well as a picturesque sandy beach with Blue Flag certification.

Our Adult Programmes, for students over 20 years of age, aim at helping students achieve career objectives and continuous personal development. We encourage students to express themselves both fluently as well as accurately. Our teachers follow the Lexical Approach where students learn English by acquiring phrases thus increasing fluency. We promote colloquial English and useful functional language that students can use and develop.

Apart from tuition, our packages include accommodation where students can choose between the luxury of a 5 star hotel or the hospitable environment of a Maltese host family. Through our activities we welcome the opportunity to show students different aspects of Malta, be it historical insight, cultural awareness or exploring places off the beaten track.

Link School of English is licensed by the Malta Tourism Authority and the Ministry of Education, fully accredited by FELTOM, thus ensuring the maintenance of standards in all aspects of English language stays. Both the main building and the new annexe are open all year round and have brightly lit spacious classrooms and a vast outdoor area with large terraces and garden to provide the right environment for quality English language courses. A self learning centre, free WIFI and an Internet cafe are accessible to all students in both buildings. Students are assigned to classes according to their age, level and nationality and also receive academic counselling from our Director of Studies throughout their course.

Tuition

General English

Courses are held all year round and are offered to students with all levels of English. There are six levels, which follow the Common European Framework of Reference for Languages:

Intensive Individual	30	1

Duration of each lesson: 45 minutes

Academic Year Programme

Academic Year Programme, consisting of a minimum of 24 weeks, is ideal for students preparing to enter university or preparing to follow a post-graduate degree course. This course can also be followed by those taking a gap year from their studies or on study leave from work. When students choose to participate in our Academic Year Programme, they benefit from integrating in an academic and international environment. Throughout the course students will:

- receive academic counselling with our Director of Studies
- attend weekly tutorials in order to target any difficulties they may encounter
- learn English through a variety of topics and themes thus increasing their topic specific vocabulary
- be assessed on a regular basis through progress / level tests and homework.
